

PRODUCT INFORMATION

# Hokki
# Stool.

**Stool** made of sturdy, durable and extremely scratch-resistant friction welded polypropylene, fully recyclable. Slight seat recess, filled with soft plastic foam for comfort. Thermoplastic base padding screwed to the polypropylene body.
**Function:** Facilitates free mobility under controlled conditions thanks to rounded set-down surfaces which stimulate the full apparatus of movement. Easy to carry thanks to ergonomic, wave-shaped seat edge for gripping which also prevents the stool from rolling off. The stool is easy to transport and can be stacked with others to save space.
**The following materials are available to choose from:** Stool = C2 + black grey (073).
