Sense™ Desking System

HermanMiller

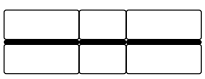

SENSE DESKING SYSTEM

Simple Solutions

For today's complex office environments, Sense provides an uncomplicated solution. From a series of single desks to space-efficient team clusters, Sense fits the way you want to work.

cover

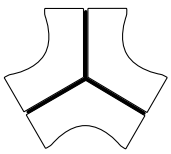

Sense begins with intelligent design for easy assembly and reconfiguration.

Sense double rectangular desks feature 91 White surfaces with Metallic Silver legs, and Kiwi privacy panels. Also shown: Setu® chairs.

inside cover

Sense is ideal for furnishing shared spaces to create a modern, fresh landscape that encourages collaboration and creativity.

Sense desks feature 91 White 120-degree triple surfaces with Metallic Silver legs, and Berry privacy panels. Also shown: Mirra® chairs.

Flexible for You

Sense is the linear planning solution designed for the long term. With its ability to adapt as your business needs change, you can add new desks, change layouts, take down, and rebuild.

Sense single rectangular desk and extension feature 91 White surfaces, Metallic Silver legs, and Sky privacy panels.
Also shown: Mirra chair and Ardea® personal light.

Clean Aesthetic

From vibrant colors to cool finishes, you can choose the look you want and personalize your space with a variety of accessories. Sense integrates fresh aesthetics with high functionality for the next generation of work.

Sense double rectangular desks feature 91 White surfaces, Metallic Silver legs, and Sky and Kiwi privacy panels. Also shown: Mirra chairs.

Ideal for furnishing meeting spaces, Sense creates a fresh landscape that encourages collaboration and creativity.
Shown with Tu® storage, Setu chairs, and Flute™ personal lights.

For a project team or contemporary space Sense can be clustered together and divided by returns.
Shown with Aeron® chairs.

Sense™ Desking System Materials

The Sense palette offers a choice of cool neutral laminates and warm wood veneers for a fresh, clean aesthetic. The vibrant range of Unity textile accent colors makes it easy to personalize and change the look of a workspace through accessories and privacy panels.
