OBERON

OBERON IS OUR WELL-DESIGNED RANGE OF DESKS, MEETING TABLES, COFFEE TABLES AND CAFÉ TABLES FOR DESIGNING COMPLETE ENVIRONMENTS. OUR TABLES ALLOW YOU GREAT FREEDOM OF CHOICE IN COMBINING TABLETOPS, UNDERFRAMES, MATERIALS AND COLOURS. A SERIES FOR TODAY'S WAY OF WORKING AND MEETING THAT SEAMLESSLY INTEGRATES TECHNOLOGY AND FUNCTIONALITY. STYLISH AND ERGONOMIC WITH A SCANDINAVIAN DESIGN. CONNECTABLE AND EASILY RECONFIGURED, PROVIDING DURABLE AND FLEXIBLE WORKING ENVIRONMENTS THAT CAN EASILY BE CUSTOMISED TO YOUR CHANGING NEEDS.

VERSATILE AND SUSTAINABLE

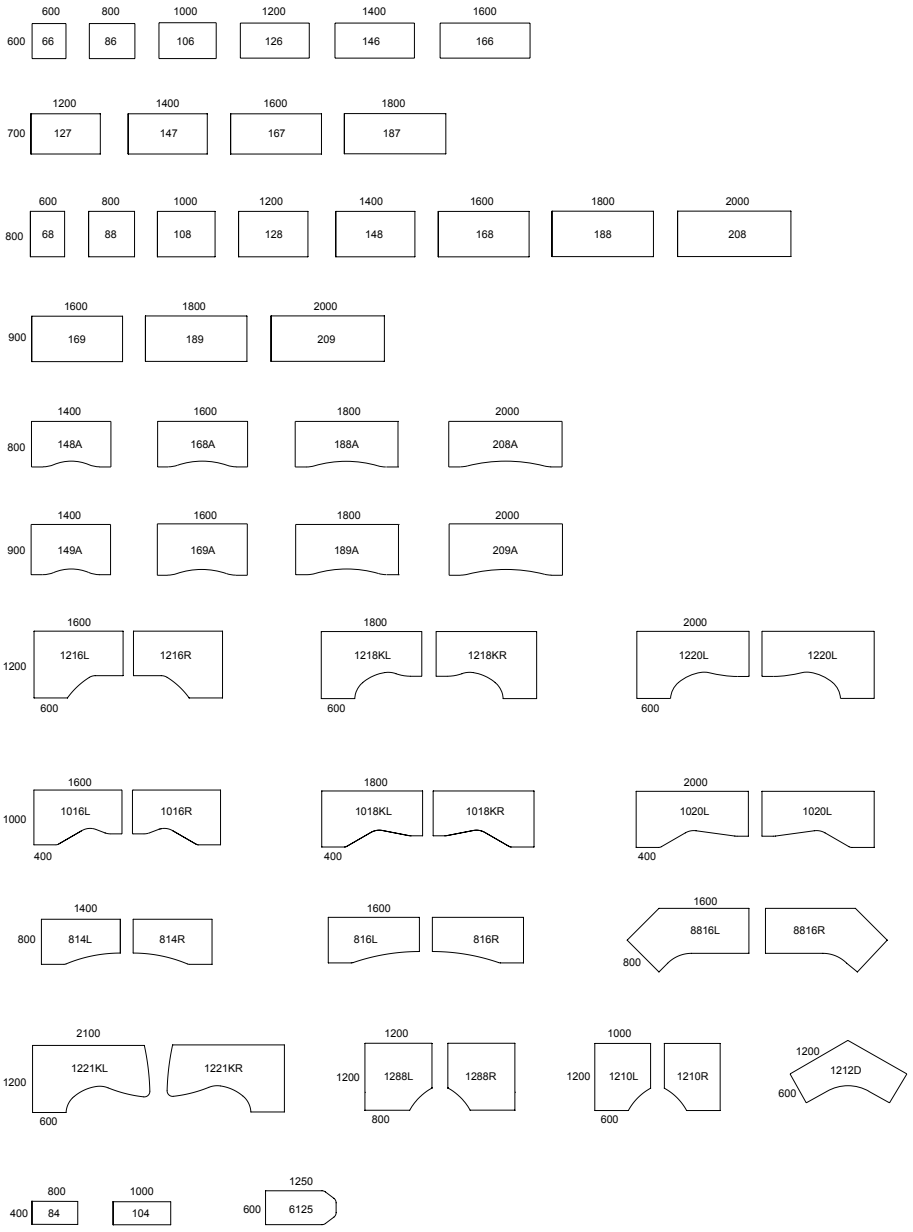

- Well-designed desks, meeting tables, coffee tables and café tables for designing complete environments.
- Versatile - provide great freedom of choice in configurations, materials and colours.
- Sustainable - provide the best possible investment over time with great built-in flexibility to upgrade, reduce desk size or redesign.
- Ergonomic - the sit/stand desks are electrically height-adjustable for easy work height customisation.
- Tabletops are available in many beautiful materials, including stained ash veneer in eleven different colours from Kinnarps Colour Studio.
- Flexible solutions for technology, audio and video make it possible to replace functions and modules as technology changes.

DESKS

The desks are available in many versions. Choose between different tabletop designs and underframes. Sit/stand desks are highly stable and electrically height-adjustable for the best possible ergonomics. Flexible solutions for technology, audio and video make it possible to replace functions and modules as technology changes.

The overview shows our entire collection of tabletops. When selecting wooden legs and legs that are integrated into Space Spine, options are limited.

FUNCTIONS AND OPTIONS

SIT/STAND MANUAL CONTROL
Intuitive hand control for easy customisation of working height.

SLIDING TOP
Sliding top on desks gives a tidy impression. Cables are collected in the underlying cable tray, included.

CHAMFERED EDGE
Available as options for table tops with veneer and select laminates. Gives the table top a slightly floating look.

CONTOURED TOPS
Square, rectangular, round, tear-shaped and oval, etc.

METAL/VENEER PANELS
Discreet panel that blocks view from the front.

LINKABLE TABLE TOPS
Linkable table tops, corner tops and side panels enable you to change the tables as your needs change.

PINCH PROTECTION
Default includes a software protection (ISP) feature that ensures that the power is cut if the desk comes into contact with any objects.

ROUND LEGS
Well-designed, functional round leg for motorised sit/stand desks.

SQUARE LEGS
Well-designed, functional square leg for motorised sit/stand desks.

CHROME
All the frames in the Oberon family are available in trivalent chrome. Withstands hard wear and gives the product an even longer service life.

WOODEN A-LEGS
Choose between solid oak, beech, birch or ash or lacquered black and white. Applies to fixed height 740 mm.

SIT/SIT ADJUSTABLE LEGS (SM/SMA)
Easy, variable manual adjustment 630-850 mm with crank. The tables are also available in a fixed height of 740 mm.

FIXED HEIGHT PILLAR TABLE (TPM/TPA/TPH)
Meeting table and coffee table with cruciform base. Table height: 740 mm (TPM), 900 mm (TPA), 1050 mm (TPH).

CASTORS
Legs can be fitted with lockable castors for increased flexibility.

ADJUSTABLE FOOT
All Oberon tables have adjustable feet to compensate for uneven floor surfaces (up to 10 mm).

CAFÉ TABLE GAS PILLAR
Pillar table with adjustable table height. Perfect for quick meetings or temporary work.

OBERON WITH SPACE SPINE
Specially developed underframe with legs that are attached to the Space storage system via Space Spine.

SENSOR-ACTIVATED PINCH PROTECTION
Sensor-activated pinch protection is available as an option, which reduces the risk of crushing injuries as the sensors react quickly.

PLUG & PLAY CONTROL SYSTEM
Modern system for controlling all table functions. For simpler future configuration changes.

PROGRAMMABLE MANUAL CONTROL
Manual control that shows the table's current height and enables four preset heights.

OPTI - smart options & accessories for desks and meeting tables
