Unix Chair

The Unix Chair is the ultimate all-rounder for office environments. It can be used behind a desk as a task chair or in front of it as a visitor chair. Unix is available in different versions that are ideal for conferences and meetings. And it is suited for touchdown workstations as well as waiting areas. The chair's structural design and the innovative padded mesh cover ensure a high level of comfort. Thanks to a wide range of colour options, it works equally well in sleek, functional office settings and in more expressive and personal work environments.

Materials

- **Seat frame and armrest sleeves:** mono-chrome polypropylene in basic dark or soft grey.
- **Seat and back cover:** Plano fabric or one of the 3D spacer fabrics Diamond Mesh (mesh look) or Silk Mesh (solid look). For Silk Mesh covers in soft grey, mauve grey and ice grey, the reverse side is in soft grey. For Silk Mesh covers in brown, nero and asphalt, the reverse side is in nero. For Silk Mesh covers in avocado, brick and dim grey, the reverse side is matched to the frame colour (soft grey or nero).
- **Cantilever base:** chrome-plated tubular steel on glides. Non-stacking and stacking versions (max. 4 chairs).
- **Four-legged base:** polished, die-cast aluminium equipped with glides or castors (Ø 60 mm).
- **Four-star base:** polished die-cast aluminium on glides. Swivel mechanism with vertical spring suspension for added comfort.
- **Five-star base:** polished die-cast aluminium with double castors (Ø 60 mm). Swivel mechanism, height adjustable.
